TYSOCON
PROPERTIES (PTY) LTD

SETTING NEW STANDARDS

Developments by Tysocon Properties

About the Developer

Tysocon Properties is a proudly South African company that has been catering for our clients individual property needs since 1988. In conjunction with its sister companies, **Tysocon Properties** has built up a reputation of reliability, quality and financial stability. The company has successfully completed a number of sectional title developments as well as Lifestyle Estates in Polokwane. Sustaining their growth, quality of product, value for money and client service are the pillars supporting their history of successful residential developments.

Apart from their residential developments, the new **Thornhill Shopping Centre** in Bendor is the latest project of **Tysocon Properties**. Construction has commenced and completion is scheduled for the 2nd half of 2008.

The company uses its own construction teams and project manages every development in-house, also using sub-contractors and specialist suppliers, many whom have been associated with the company from the beginning years.

With an excellent team of dedicated people who specializes in servicing the needs of their clients, the company is committed to create value for their clients and to construct buildings to be proud of.
